Enclosed find a copy of the archive DVD of the Milwaukee Radio Amateurs' Club Inc. (MRAC). The club was formed in January 1917 and has been in continuous operation since. MRAC was affiliated with the ARRL in December 1919. Due to other early affiliated clubs disappearing, MRAC is the oldest, longest ARRL affiliated radio club.

By a stroke of luck, club officers kept materials from the entire history of the club and in recent years an effort has been undertaken to digitize all the material. The disk contains everything digitized to this date.

Photos have been assembled into slide-show videos based on general subject.

Check out the material to get a feel of the operation of a 100+ year old radio club.

73 and enjoy,
